Uniform

As we understand children in our preschool group grow so quickly we do not have a formal uniform until our Junior classes. Students will need the appropriate shoes for each class (either Ballet, Jazz and/or tap), we encourage dancing attire appropriate for each style of class.

Appropriate attire can be purchased from Energetiks at Fountain Gate Shopping Centre, just let them know you are from Expanse School of Dance and they will provide you with the appropriate options.

Ballet: Leotard, skirt, ballet tights and ballet shoes

Jazz/Tap: Leotard/skirt or T-Shirt/leggings, jazz shoes & tan tap shoes

Acro: Leotard, bike shorts/leggings, no shoes

Parent involvement

Some parent involvement may be required for our Danceplay classes to assist in the transition into the class and supporting students in our activities. This is dependent on the student and may vary from week to week. For our Mini Mover classes, parents are asked to wait in the foyer whilst the class is in progress. If needed, parents can speak to the teacher before or after the class.
